

Hand Drawn RECORDS Presents:

HAND-PICKED TOUR

United States of AMERICA

Hand-selected musicians hitting the road. TOGETHER.

Hand Drawn Records is proud to announce "Hand-Picked Tour 2016." The collaborative tour will be traveling from the label's Dallas HQ, hitting both major cities and small towns throughout the United States.

In the spirit of collaboration, performers will be bringing a new show to each town; playing one another's songs and sitting in on-stage to keep every show fresher than the last. Performers will include members of Hand Drawn's artist family; including musicians from Cut Throat Finches, Un Chien, Andrew Tinker, Bad Mountain, Brandon Callies Band and many more incredible acts.

Thanks for supporting small business and the arts!
